Meeting, entertainment and lunch

Meet Jamie Shaheen, one of Southern California's favorite singer/pianists. She hails from Canton, Ohio, and was classically trained on the piano as a child. She plays and sings standards, oldies, show tunes, ballads, movie themes, and she loves taking requests. Currently she is an entertainer for the Walt Disney Company.

Please join us for Jamie's upbeat, vivacious show.

This is the regular monthly meeting of the Friends of OASIS. It provides opportunities for attendees to socialize and to receive important updates from the Friends Officers, the Board Committees and the Center Director and her staff while enjoying entertainment and a special lunch.
