Melissa Gleason

SENIOR SERVICES MANAGER

During this month of love, I would like to give our Transportation Team some much deserved love and appreciation.

Michael, Araceli, Blanca, Jose, and Raul (pictured from left to right) are our friendly (and very experienced) drivers, transporting Newport Beach senior residents around town. The patience, care, and dedication they show to their clients is priceless. Thank you to our team and all you do to provide one of the most valuable programs our center offers. I am also appreciative of the generous financial support from the Friends of OASIS, HOAG Hospital, and OCTA.

Are you or someone you know interested in our Transportation Program? See page 9 for eligibility requirements, service hours, and more.

Optimistically yours,

Melissa

Mike Zimmerman

FRIENDS OF OASIS PRESIDENT

Here we are in February, with Valentine's day just weeks away. Make your dinner reservations early and show your love and respect for your loved ones. Check our Newsletter and see all the local restaurants that give Friends "member discounts." Supporting these generous places is always good for us to do. Likewise, we have many businesses in the back of our Newsletter that advertise every month. These fine businesses support the Friends, help off-set the cost of our Newsletter, and are the core of our business-to-business outreach. Speaking of support, I would like to personally thank

each and every one of you who contributed to our Fund Drive. As you know, we annually start our Fund Drive in July until December 31st. We live financially on your Friends annual dues (still \$15 and \$25) and donations. Our Friends Scholarship Fund is totally separate from our General Fund, and was funded by a generous gift from the Roy and Louise Woolsey Family, along with additional gifts from some very generous Friends members. Walt Howald is our Scholarship Chair, and along with his committee just this year, earmarked \$30,000 to "gift" 15 needy Scholarship individuals. As far as we can see, OASIS is the only Center to take on this service, to help our Gerontology students with their education needs. Also check the upcoming trips offered by our Travel Department, and call early, as many are getting filled, and the waitlists are growing by the day. Finally, don't forget our monthly General Gatherings, which are always on the first Friday of each month. The entertainment and lavish lunches are the best deal in town, for only \$10. The next ones are February 2nd and March 1st, respectively. These have been selling out within weeks, so to avoid "missing the boat", buy them early for you and your friends. Thanks again to all of you that support Friends and our activities, and enjoy OASIS!

Always at your service,

Mike

MOVIE TALK

WITH THEO SIEGEL

WEDNESDAY, February 14

Event Center

EVENT STARTS AT 1:00 PM

We'll talk about the making of "Woman of the Year", and then show the film!

"This 1942 film was the first of nine movies that Spencer Tracy and Katharine Hepburn would star in together. The film was unusual in its depiction of a modern, equal-partnered marriage between the two characters. He is a successful sportswriter for a newspaper and she is a famous columnist and personality interacting with major influencers of the day. Hepburn and Tracy fell in love while shooting the picture and were involved together for the rest of their lives. Tracy was a devout Catholic and even though his marriage to his wife, Louise, was over he did not believe in divorce, so Hepburn and Tracy kept their relationship discrete. Learn about these interesting facts and many more from the movie guy as we talk about "Woman of the Year" with Katharine Hepburn and Spencer Tracy and then show the movie.

Treat people the way they deserve to be treated

We've found out that when companies put PEOPLE FIRST, everything else seems to fall into place.

The Problem: Aging in place is truly complex

- By 2030, nearly **1 in 5** Californians will be age 65 or older, according to the nonprofit Public Policy Institute of California. The state will be facing a shortage of as many as **3.2 million** care workers by then.
- The US is facing an epidemic of senior loneliness and social isolation which is associated with about **50%** increased risk of dementia and other serious medical conditions. NASEM reported that **more than 30% of adults aged 45 and older** feel lonely, and **nearly one-fourth of adults aged 65 and older** are considered to be socially isolated.
- Home Care Pulse's 2023 Benchmarking Report states that Home Care Industry's turn-over rate soars to **77.1%**
- Caregivers are overworked and undervalued. The Low Wages, Lack of Benefits, Recognition and Appreciation, Limited Career Advancement are a huge driving force for workers to go "gray" and gray workforce is becoming a growing problem for the long-term care industry, PHI National estimates that there are **4.6 million** direct care workers nationally.

Our Strategy: Happy Employees Create Better Companies

Magnificare LLC is on a mission to advance the quality of lives of our aging loved ones and their caregivers not in a fake, sunshine-and-rainbows type of way, but with a real, human-powered, data-driven approach.
